ABOUT US:

We work closely with strategic partners to ensure privileged access to high-velocity retail channels, with a strong focus on the end consumer. We bring more than 20 years of solid experience in purchasing and sales, specializing in mass consumption, B2B, and retail across multiple industries. **Our core sectors include consumer electronics, major and small appliances, home goods, pet products, sporting goods, and apparel.** We are supported by strong relationships throughout Mexico's commercial chains and a deep understanding of each client's operations and processes.

Partnerships.

Distribution of fast-moving consumer goods with a wide range of products across different channels.

Consulting.

Specialized services in marketing strategies, positioning, growth, CPF, and market penetration.

Service.

Our work doesn't end once the sale is made; follow-up is an essential part of our DNA.
